The staff at Charlotte Maxeke Johannesburg Academic Hospital and families of the children receiving treatment in the Paediatric Renal Unit wish to thank Mrs. Hlophe and the Trinity Methodist Church(Thursday Manyano) for the project they started and the donation of beanies in the clinic and wards.

Our warm thanks go to the Rose Village Methodist Seniors (the BusyBees) for making the project a success.

We really appreciate your support and contributing to the care of those vulnerable and disadvantaged in our communities.
