

METHODIST HOMES FAIRLEADS RETIREMENT VILLAGE

The Outreach Programme

The Methodist Homes Fairleads Retirement Village Outreach Programme began in 2003 and is a special project that provides assistance to senior citizens who survive on the Government Pension. Funding is received from the Department of Social Development to implement this project on a yearly basis. Six project sites have been set up within the Benoni area. Various types of hampers are given out on a monthly basis. There are approximately 350 seniors that benefit from this programme.
