

It is always sad to say goodbye but encouraging to open new doors

Anita Prinsloo joined Fairleads Local Committee on a volunteer basis way back in 1997.

In 1999 Anita was employed on a permanent basis by Fairleads Retirement Village and she then was promoted to village manager in 2002.

When Anita first joined our “family” there were no independent living units yet at Fairleads and, as a result, she found herself involved with the building of our first Privately Funded units and the intake of the life rights residents.

“I have loved working at Fairleads and found it to be more than rewarding but I’m now ready to retire and start a new phase in my life”, said Anita.

Methodist Homes thanks Anita for her dedication over the years and we wish her all of the very best in her retirement.

As of 1st August 2018, Richard Bekker will take the reins at Fairleads.

Richard has joined Fairleads after a promotion from another Methodist Home, Summit Village, where he has proven himself as an efficient manager for the past number of years.

We wish Richard continued success in his management role.
