

Collecting for FORA

Methodist Homes Summit Village, in Ontdekkers Park, are collecting items for the animal welfare organisation on the West Rand called FORA.

FORA (Friends Of Rescued Animals) take care of more than 500 abandoned and/or abused animals at their shelter. They receive no welfare funding and are solely dependent on donations from the public.

In order to continue delivery the incredible service that FORA do to the community, they are in constant need of donations of newspapers, food, cleaning items, black bags, blankets and any other items which could be used in the care of the animals in their care.

The residents and staff at Summit Village have started collecting this type of item to assist FORA where possible.

On the 4th of April Jackie du Preez, Summit Village Manager, delivered a boot full of newspapers to FORA who were thrilled to receive this donation. The promise of further donations was also enthusiastically received.

A message of thanks was sent by Linda Scarce, owner/manager of FORA, to Summit Village.
