

Celebrating...

GRANDPARENT'S DAY

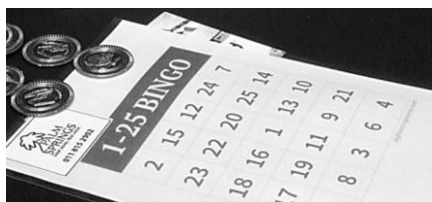

Residents from Springs Retirement Village were invited to a “Grandparent’s Day” celebration at the Palm Springs Shopping Centre. Snacks were served while the residents enjoyed the entertainment provided by local country singer, Hunter.

Spot prizes were awarded to lucky grandparents.

In between the singing, dancing and eating, several lively games of Bingo were played.

We would like to extend our thanks to the Management and staff of Palm Springs Shopping Centre for making this special treat possible.
