

## Mandela Day @ Summerfield Park

Summerfield Park Retirement Village was privileged to be the recipient of 2000 Linen Savers donated to us by QestMed as part of their Mandela Day outreach.

We were also visited by Dr Bianca van der Westhuizen and Administrator Emmah Siluma from the Heart and Stroke Foundation, based at Fourways Life Hospital. They gave a talk to residents and staff on the danger signs to look out for regarding stroke and heart attacks.

Following the talk, the residents were treated to healthy snack and tea.

The staff of Summerfield Park also received warm branded scarves from Management on Mandela Day.
