

Thank you for a life of service

Whether it was in your front room or the Doctor's room, you could always count on Zarina to be there to care.

Long time Eddy House volunteer Zarina Munasar, is relocating to Kwa-Zulu Natal during December and we at Eddy House are sad to see her go.

Zarina Munasar is one of those souls that has devoted her life to serving, not only has she performed fantastic volunteer work at Eddy House but trained with the Gift of the Givers and has been a big part of the community.

Since 2009, weekdays, weekends, during and after hours, Zarina was always there with a smile and an encouraging word. She has visited people in hospital, has taken food to people who are struggling, she has been there to hold hands of those in distress and celebrated with people who have had good news.

Eddy House is going to miss the services and assistance of Zarina who has our respect for the amazing work she has done here at Eddy House. We wish her well in her journey onwards and hope to see her back in Benoni very soon.
