

Methodist Homes Queenswood host another successful Golf Day

The Queenswood Gold Day has become a much anticipated annual event and this year it was held on 15 May at the Wingate Park Golf Course.

The players were welcomed by the registration team consisting of Administration, Unit Manager and residents Mr and Mrs Robert and Maxi Leisk.

A total of 80 players took part, mostly business associates or golfing friends of Mr Martin Coetser who is the mastermind behind this golf day. Dr Beyers, from the Care Centre, and her family supported us as did Dan Fourie from Mosaic Funerals who entered a 4 ball.

Topsy (Queenswood administrator) and Tersia (Nursing Manager) encouraged players to buy tickets for the raffle of a wheelbarrow full of wonderful goodies. Tickets were sold at R20 each and the first draw announced Mr Leon Labuschagne from PSG Invest as the lucky winner.

Leon elected to place the prize into the auction for bidding.

The bidders were awesome.

Cornel Windell bid R 8000.00 and placed it back in the pool.

Gustav Smit bid R 6700.00 and placed it back in the pool.

Leon du Randt bid R 7000.00 and placed it back in the pool.

Finally Dr Beyers bid R 7000.00 and refused to let go because she wanted the beautiful yellow wheelbarrow for herself.

Our convenor, Martin Coetser is the son of Johan and Lorraine Coetser who recently celebrated their platinum anniversary. His organising/convening abilities made us proud to be part of his passion and drive. Without his assistance, it is unlikely this golf day would be the annual success it is.

Martin also placed his house at Zebula lodge up for auction and the winning bid of R10 000.00 was made by Mr Gerhard van Niekerk.

To all our sponsors and the players who contributed to making this event such a success, we say "Thank You" from the bottom of our hearts.
