

FAIRLEADS CELEBRATES HERITAGE MONTH

September is celebrated as 'Heritage Month' and this year the wonderful staff at Fairleads went all out to celebrate their culture and the diversity of beliefs and traditions.

Two days, 4th and 24th of September, were set aside where staff were encouraged to come to work dressed in their traditional clothing. The vibe was amazing as we enjoyed a celebration of 'local is lekker'.

More formally "Heritage Day was created by President Nelson Mandela in 1996 to encourage South Africans to celebrate their cultural traditions in the wider context of the great diversity of cultures, beliefs, and traditions that make up our nation."

The residents enjoyed seeing the staff in the bright colours and wearing their traditional outfits with such pride and much conversation, fun and laughter was evoked through this celebration.

To top off a really great celebration Richard handed over prizes to our top 3 best dressed who were Vuyiswa Sokop (Xhosa), Phumzile Dube (African Chique) and Paulina Skosana (Ndebele).
