

Left out in the field

Recently the staff of Methodist Homes Eddy House made an interesting discovery in a donation of books. It was a letter from the Southern Transvaal Women's Cricket Association congratulating a lady only addressed as Vallie, on her selection to play for the South African XI against New Zealand.

This original letter is dated and stamped 30 January 1972. We have been able to ascertain it may belong to one of the following ladies.

Beverly Botha; Carole Gildenhuys ; Denise Weyers; Gloria Williamson

Eddy House would like to try and track down the person and return the letter to her family and, if possible, to meet her. A piece of history such as this should not be left to go to waste and we are sure the family would love to have it back.

If you can assist Eddy House in tracking down the person or family members we would really appreciate you contacting:
