## Special Events at Springs Retirement Village in the Merry Month of May ...

Members of the newly-formed Entertainment Committee are working hard to ensure that there's always something fun and exciting on the go for our residents.

### RIGHT:

The **Golden Oldies Afternoon** held in the SRV Chapel on May 11th was very well attended.

Our residents thoroughly enjoyed the melodies of yesteryear. Many sang along while others danced enthusiastically to the familiar tunes performed by the Worship Team from Trinity Methodist Church.

Cappuccino and cake was sold by the Friendly Bean Coffee Shop.

### LEFT:

Moms (and Dads) were treated to a special lunch to celebrate **Mother's Day** on Sunday May 12th.

### BELOW:

The **Bring & Braai** held on May 17th was a great success. Feedem provided a variety of braai packs and salad, and kindly assisted with the cooking. This festive get-together will become a regular event ... as soon as the weather warms up.

Thank you to the Springs Retirement Village Entertainment Committee & Feedem for making our special events memorable.
