

## Fire Safety a Priority at Arbor Village

On Thursday 29 August 2019, the Arbor Village Fire Wardens were invited to visit the Bedfordview Fire Station where we had an informative talk on the types of fires, how to put them out and how to prevent them.

We gained a lot of good ideas to take back to our village, where the safety of our residents is paramount.

Afterwards we had a fire demonstration and how to use the equipment, as well as look at one of the fire trucks.
