

MULTI CHOICE GIVE OF THEIR TIME AT METHODIST HOMES MONTGOMERY HAVEN

On Friday 16 March 2018, staff from Multi Choice descended on Montgomery Haven in Montgomery Park.

The purpose of their visit was to do a make-over of the existing hall, tuck-shop and nurses station.

They also provided a beautiful vegetable/herb garden which will become part of the care centre residents' activities – weeding, watering and enjoying time in the fresh air.

The kitchen will soon also be able to up their game with food preparation and serving of home grown, fresh vegetables as part of the daily menu.

Watch this space for the pictures of the final results of all this hard work.

Methodist Homes sincerely thanks Multi Choice and their staff for this initiative.
