

Picnic Day at Montgomery Haven

It was a delightful sunny Saturday at Montgomery haven beautiful gardens on the 17th of March when the Golden Harvest Ministry decided to extend their lovely thoughts to the elderly by giving them a heartfelt and lavish picnic of the year!

Surely, we witnessed the biblical sayings coming alive as it is said "Love is not love until it is given away". There was a lot of finger licking eat treats not to mention of all the stimulating exercises residents were engaged and but above all the word of God was also shared which sealed everything as far as physical, psychological and Spiritual needs are concerned!

For our Care Centre residents this was a day that they will always mark in their memory as they socialised and interacted with the members of the Ministry who have done nothing but put a glimpse of joy and hope on their golden faces.

We appreciate the kind gesture from the Seventh Adventist ministry!
