

WORLD ALZHEIMER'S AWARENESS DAY

Prim Villa, our specialist Alzheimer's and Dementia home in Germiston, celebrated World Alzheimer's Day with the residents.

The theme was purple and white and the message was that someone is diagnosed worldwide every 60 seconds.

A lovely menu was served at all three meals and the staff and residents enjoyed making new memories.

The Da Costa family had a braai with all the family with their dad at Prim Villa.

Some of our wonderful staff dressed up in their special outfits on Heritage Day.

The residents enjoyed a braai at lunch time and families visited their loved ones.
