

Step in Time Line Dancers

On Thursday, 21 March Step in Time Line Dancers were very happy and eager to spend some of their precious time

To come dance and entertain our residents. The residents thoroughly enjoyed the morning. It sure brought back some good memories for many of them as they remembered the words to most of the songs.

Sheila Webster and Rina Fick as well as some of the staff had great fun when they were pulled up from their chairs to join the dancers. As for the rest of the residents they sat in their chairs tapping their feet and singing to the music.

After dancing for an hour, the dancers enjoyed a cup of tea and biscuits and spent a while chatting to the residents. Not only did the residents enjoy the morning, the Line dancers mentioned how much they enjoyed themselves and are keen to come back in the near future.
