

# VISITORS FROM VERITAS COLLEGE

Students from Veritas College in Springs visited the residents of our Care Centre ahead of Mandela Day 2018. The 50 students, accompanied by their class teachers, brought sweet treats for tea and spent their time chatting with our frail residents.

Several of the students volunteered to help with the preparation of lunch and setting tables for the midday meal. Some accompanied Mid Care resident, Rita Du Plessis, on a tour of the premises while others assisted with maintenance tasks in the village.

The corridors were filled with chatter and singing. Both residents and pupils thoroughly enjoyed this worthwhile and enriching experience.
