

Ridgeview Residents become clockmakers!

On the last Thursday of every month, Ridgeview Residents take part in an Arts and Crafts class.

It is an hour of fun and laughter while each participant crafts something they can use.

In July the ladies made an ornamental clock –and yes, it runs and keeps the time beautifully.

Classes are run by Fareeda who manages the Fairleads Outreach Programme and does incredible work in the community, using her extensive resources, which she shares with other Methodist Homes Villages on the East Rand.
