

## ACTIVITIES RESUME AT SUMMIT VILLAGE

As restrictions eased to Level 1, internal activities at Summit have started up again.

On Friday, 19 March, Martie and Willem van der Westhuizen, who manage the Friday Coffee Shop, treated residents to jaffles at the coffee shop instead of cake. The response was overwhelming and the jaffles ran out very quickly – so fast in fact that neither the office staff, nor Martie and Willem got any!

Pictured right are Martie & Willem with another resident, Angie, who assisted them with making the jaffles and the residents enjoying the coffee morning.

On 26 March, the residents enjoyed their weekly cup of coffee and socializing **followed by** the monthly braai in the same afternoon. Pictured are some of our residents having fun at the Coffee Shop and later at the Braai Day. Fortunately, it was a beautiful day and the residents could relax in the sunny weather under the lapa.
