

## Fairleads Retirement Village celebrates the New Year in Style

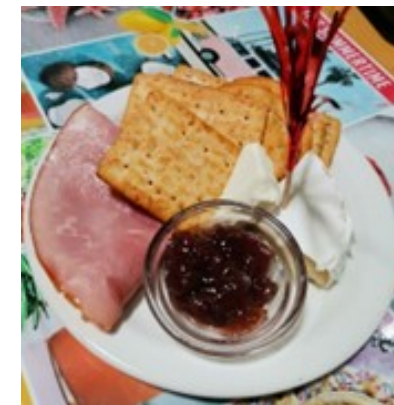

Fairleads Retirement Village residents and the Care centre staff kicked off the New Year with much enthusiasm and zeal, thus treasuring the cheerful spirit of the moment!

They were treated to cheese, crackers, bubbly, party hats, music, dancing, sparklers & the final countdown. With the clanking of champagne glasses, our residents look forward to a new year with great fun and

enjoyment, wishing that the year ahead would give them peace, harmony, happiness, good health, and more time with loved ones.

2022  
*happy new year*
