Our Caring Community during Crisis ...

COMMUNITY THROUGH TECHNOLOGY

With the national lockdown declared, all activities organized by the Summerfield Park Entertainment Committee were stopped until further notice. Residents have been asked to remain in their own homes and resist the urge to visit friends and neighbours during this period. To combat the effects of isolation, members of the Entertainment Committee established an "Inter-tainment Community" so that residents can interact remotely through WhatsApp. Various groups provide a range of daily activities that keep our residents engaged and include bird spotting, virtual chess, and a daily prize for the best "thought of the day". In addition, Spanish classes continue via email. Residents can also enjoy a worship service broadcast via Facebook from North Rand Methodist Church at 9am every Sunday.

This clever use of technology has enabled our residents to stay connected and empowered.

GIVING IS NOT JUST ABOUT MAKING A DONATION. IT IS ABOUT MAKING A DIFFERENCE.

We would like to express our sincere thanks to those who generously donated much needed hand sanitizer for use by staff and residents.

A donation of one hundred 50ml bottles of hand sanitizer gel was received from Pestop Pest & Hygiene Control, and ten 5L bottles of liquid hand sanitizer was received from Cromwell SA.

Your kindness and support is greatly appreciated.

A SPECIAL MENTION ...

Special measures have been put in place to ensure that our residents continue to receive the necessary services during the 21 day lockdown period.

Thank you to the Summerfield Park team that are working during this challenging time, and who are providing care and love to our residents. GO TEAM!
