

101 years young...

Amidst the pandemic and unrest Montgomery Haven residents and staff took time out to celebrate a very special birthday. Our beloved resident Walter Bowers affectionately known as “Wally” celebrated his 101st Birthday .

He is one of the oldest residents at Methodist Homes and has seen and experienced more than most in his lifetime. He is a true survivor; surviving tuberculosis as a child, he fought during World War II in Sicily and fought off Covid-19 last year. Whilst he is currently very frail he still has a smile each day when you enter his room.
