

Knitting for a good cause

The Arbor Village knitting club have been busy during lockdown by knitting up a storm of jerseys, scarves, beanies and blankets for Khanyisani Home Based Care - a non-profit organisation based in Malvern that provides health and social services to impoverished communities in need of assistance. The organisation was very grateful for the donation of knitted goods.

<p>Good Day Ladies,</p>		
<p>This is to say a tremendous THANK YOU for all the knitted garments provided to us earlier this year.</p>		
<p>This has been a most extraordinary year for everybody with different ways of doing things, and still the cold did not give up. So the winter woolies have really helped our beneficiaries who were most appreciative.</p>		
<p>In my situation, I marvel year after year how so many people go to such a lot of trouble to help those less fortunate than themselves.</p>		
<p>On behalf of our beneficiaries, staff members, board members and chairman, I wish to say a huge THANK YOU for your ongoing support.</p>		
<p>God Bless!</p>
