

When “Snoepie” does the rounds

Residents that are so very restricted for their own good anxiously waited at their doors for “snoepie”, the mobile tuckshop, from the kitchen to come by.

Their excitement was evident - just to see someone and to be able to buy a light meal like cup-a-soup or a sweet to make the lonely days more bearable and a bit shorter. Care was taken to ensure that the goods were properly sanitized and safe to handle.
