

Special thanks for a sterling job...

Methodist Homes have received a number of compliments during the course of the nationwide Covid-19 lockdown period.

The staff at our various villages have been doing a superb job and it is not unseen.

Below is just one example of the many messages received from loved ones of our valued residents.

Dear Matron Noreen

Mom was naturally a bit apprehensive and confused about having to go back to Frail Care yesterday, but she quickly settled once she saw the lovely Sr Gwynneth and Sr Nontokoza and several of the other staff who all gave Mom such a warm welcome and made her feel that she was right back where she belonged!

I know that operating a care centre has to be stressful at the best of times, but it was really heartwarming yesterday to sense that for the residents in the Care Centre not much has changed - the staff were lovely as ever, and I heard the happy sounds of a birthday being celebrated down one of the corridors.

So a very special thanks to you and every one of the staff - including those "unseen" people in the kitchen and laundry - who make the lives of the residents like my Mom that much more bearable through their warm smiles, kind touches and ever patient support - especially during this time when no visitors are allowed.

Thanks so much Noreen! Wishing you and the SFP Care Team strength and humour to get through the lock-down!
